Volume 14, Issue 4

December, 2006

## Notes from the President

The Ames Historical Society will dedicate a bench in Ada Hayden Heritage Park as a memorial to Janet Jepeway, who photographed the park's construction.

In the next meeting Patricia (Patty) Tron-Bird will tell us how she does sports photography in Ames. She makes posters, note Cards, Collages, and posts photos on the web.

At the November meeting Denise Wheeler presided over judging 67 nature slides from other N4C clubs. Three winners, 3 honorable mentions and 15 merit awards were given. Thanks to Gloria Johnston, Phyllis Miller and Kerry Whisnant for judging, and to Brent Pearce for arranging our use of First United Methodist Church. We'll probably judge again next year, and our local contest (topic Winter in April) will be judged the same way.

If you'd like to enter an N4C contest, the next one's in January. One entry per person and 8 for the club per category allowed. Send to Denise by January 5.

### The categories are:

1. 2 x 2 pictorial slides (35 mm art).
2. 2 x 2 nature slides.
3. Black & white pictorial prints, large and small (judged separately).  
Large prints = mount up to 16 x 20 inches.  
Small prints = mount up to 11 x 14 inches (usually an 8 x 10 print).
4. Nature prints, large and small.
5. 2 1/4 slides (i.e. medium format).
6. Color prints, large and small (any topic).
7. Contemporary/creative prints & slides (weird or manipulated).
8. Photojournalism prints & slides (prints may be small, mounted and must not be matted).
9. Travel prints & slides.
10. The e-mail digital contest category is pictorial. The image must be 1024 x 768 or smaller and in sRGB color space. Brent Pearce says he'd be willing to figure out how to submit these.

## Program Schedule

**December 14th**—Patricia Tron-bird, "Sports Photography"

7:00 p.m. in the upstairs meeting room of the Ames Library.

## Quote on Photography

"The ancient Chinese proverb that 'a picture is worth a thousand words' has never been truer than it is today. Even with the rapid growth of on-the-spot television reporting, still images have a key role in conveying the intrinsic nature of a story. ...it is the still photograph taken in war, famine, or natural disaster that stays in people's memory"
